ENGAGE ACCOMPANY

Dearest Lord, teach me to be generous; teach me to serve you as you deserve; to give and not to count the cost.

St. Ignatius of Loyola (1491-1556)

Stewardship is an expression of a parishioner's faith. Through prayerful communication and personal relationships your parish and diocese can help parishioners engage to help sustain and expand your ministry. Make it easy for parishioners to exercise their generosity by offering multiple, convenient ways to give. Close the loop in gratitude by letting them know how you are using their financial gifts. With MinistryPlatform, you can do all of this and more because it's a solution that allows you to **understand**, **manage**, **engage**, and **accompany** your parishioners.

MinistryPlatform provides full reporting capabilities to track giving, pledges, payments, and donor information. Use the extensive reports in the system or customize your own.

MinistryPlatform provides your parishioners simple, flexible options to give, and your diocese and parish comprehensive tools for tracking, managing, and reporting offertory and other giving. The platform also provides you the function to design and implement personalized communications for campaigns and other fundraising so you can foster meaningful stewardship.

...from start to finish, MinistryPlatform had a process in place for us to do online donations so I didn't have to go outside to another vendor. We didn't have to do all this extra work to make sure people get credit for their gift.

Wade McFall, Parish Business Manager St. Thomas More Catholic Church

#### **ABOUT ACS TECHNOLOGIES**

"

Our mission is to enable every Catholic diocese and parish with personalized ministry resources that help you see, serve, and know your community more.

We can equip you to engage more meaningfully with people in their faith journey today while planning for the future tomorrow, through data-informed, mission-drive ministry. Together, we can change lives forever.
