

7 WAYS

TO SERVE YOUR COMMUNITY DURING COVID-19

1.

Call or text your neighbors to make sure everyone is okay.

2.

Check on the elderly and those who have medically-fragile loved ones.

3.

Buy from local businesses to support local workers.

4.

Have a call-line available for people to share needs and prayers.

5.

Partner with local organizations that are providing childcare for first responders and medical professionals.

7.

Develop and publish encouraging and uplifting content and messaging.

6.

Provide online opportunities for young people to connect and communicate.
