OnDemand Products

Our suite of PDS OnDemand products give you anytime anywhere access to your data. Plus, all products work alongside each other making PDS OnDemand your all-in-one solution for managing your parish.

Parish

Church Office™

streamlines the management of your parish.

- Keep families informed, active, and connected
- Track and record all aspects of fundraising
- Review personal outreach and growth development
- View and print maps for house visits
- Quickly compile data for submission to the Official Catholic Directory™
- Communicate with families and members via text messages, email, or printed letters

Parish Life™

gives your members the ability to connect with the parish through an online parishioner portal that works as a companion to PDS Church Office.

- View parish directory and tag members as favorites
- Edit profile information and sync details with PDS Church Office
- View Mass times and register if needed
- View calendar of activities
- Give online and view contribution history
- View announcements shared by parish staff

Abundant™ Online Giving

Online giving using Abundant, powered by Vanco, enables your church or diocese to receive payments and donations using secure internet technology and is integrated with PDS Office programs.

- Provide multiple ways to give (online, mobile app, text giving, giving through Parish Life)
- Provide flexible payment options (checking, savings, and/or major credit cards)
- Receive one-time and recurring gifts
- Easily import online gifts and payments to post in PDS
- Create customized giving forms to meet ministry needs

Background Checks

provides security for your parish through the most comprehensive screening from our background check partner Verified First.

- Quickly order background checks
- Save time, money, and headaches
- Be consistent in your screening processes

Sacramental Register™

provides a searchable electronic database of all your sacramental records as an add-on module to the PDS Office programs.

- Quickly locate sacramental details
- Preserve your valuable records
- Print indexes and completed register information

PDS CASS It!™

enables you to CASS Certify mailing addresses to meet US Postal requirements for address verification over the Internet.

- Qualify for postal discounts
- Print Form 3553
- Add optional Geocoding and NCOA Processing features

Formation Office™

easily manages the details of religious education programs.

- Access student and catechist information quickly
- Schedule classes and prepare mailings
- Coordinate, track, and record dues, payments, and credits

Facility Scheduler™

enables efficient scheduling of rooms and equipment.

- Schedule events for all your facilities and optionally publish to your Google calendar for use on your website
- Create automatic scheduling and billing reminders
- Store detailed contact information and monitor fees

Ministry Scheduler™

helps you coordinate and assign ministers for various liturgical functions.

- Create and assign an unlimited number of ministries and ministers
- Accommodate ministry preferences
- Minister Web mobile app allows minister to check their schedule, accept/reject assignment, and claim unfilled assignments
- Print assignment schedules

Ledger™

provides a full accounting solution for your parish..

- Comply with IRS and FASB requirements
- Use cash or accrual rules
- Print Statement of Position and Statement of Activity reports
- Enter monthly, quarterly, or yearly budgets for each income and expense account

Ledger/Payroll™

incorporates payroll management into Ledger.

- Calculate federal, state, and local taxes
- Print paychecks from your computer
- Produce a variety of federal reports and forms
- Electronically file federal and state tax forms

Tax E-File

allows you to quickly and securely file tax forms online.

- Federal Tax E-Filing
- State Tax E-Filing
- Recipient Mailing
- Check Filing Status
- View Submitted Forms
- Print Reports

Diocese

DioOffice™

synchronizes family contact information and uploads member details among parishes and the diocese.

- Collect family records electronically and automatically populate your database
- Review submitted data and accept or reject changes
- Manage contacts, pledge entries, statuses, and support mail campaigns
- Share financials for Diocesan Appeals and other funds
- Upload historical Sacramental Registries
- Gather and analyze survey responses
- Exchange financial campaign status between parishes and the diocese

DioView™

streamlines financial reporting between your parishes and diocese.

- Gather financials more frequently
- Consolidate chart of accounts or filter a specific account
- Establish a diocesan master chart of accounts for reporting and map parish accounts into the master
- Launch PDS Ledger to see transaction level detail
- Print financial reports for your parishes
- Export financial data to a consolidated spreadsheet

DioEdge™

synchronizes family contact information between parishes and Blackbaud's Raiser's Edge NXT™ database at your diocese.
