

A virtual front door to your ministry.

Every diocese and parish needs a welcoming virtual presence to attract new visitors and keep their parishioners engaged and up to date. Refresh Websites is an easy-to-use solution that allows you to build a professional website that reflects the branding of your diocese or parish. And it makes it easier to share information about your ministries with your parishioners.

Problem to Solve	Refresh Websites Solution
<p>Dioceses and parishes want a professional website but do not have web developers on staff.</p>	<p>Refresh Websites has templates; you don't need to build a website from scratch, and editing is easy with drag and drop widgets. No coding is required so anyone can build out a beautiful, professional site.</p>
<p>Dioceses and parishes need to share information online.</p>	<p>Refresh Websites includes unlimited pages so you can share information about all of your ministries, including faith formation classes, liturgical ministries, virtual mass, volunteer opportunities, the Bishops Appeal, and more.</p> <p>You can schedule content in advance to keep your online presence dynamic and engaging.</p>
<p>Dioceses and parishes want to attract new people.</p>	<p>Refresh Websites is SEO optimized so visitors can easily find your diocese or parish online. There is no limit to the number of pages, so you can create a page that welcomes and prepares visitors for their first visit.</p>
<p>Dioceses and parishes want to control their branding.</p>	<p>Refresh Websites allows you to choose colors and fonts and select or upload images so that your website reflects your ministry.</p>
<p>Dioceses and parishes want to know who is visiting their site.</p>	<p>Refresh Websites analytics will give you insight into which pages people are visiting the most, how they came to your page, the geographic location of website visitors, and more.</p>
