

# Adopt-A-Ministry

We know you care about

And you also care about the Church. We want to be generous people within this Body and around the world. So, this summer, let's commit to increasing our support for the work of ministry that's happening in us, through us, and all around. We want to encourage you to go above and beyond your normal regular giving and consider adopting a ministry.

*Below are just a sample of great ministries that could benefit from your investment into the Kingdom:*
