

Financial Resources

Managing money is important in so many areas of your life. It's especially important to God because how you handle your money shows where your heart is. But we know it can be challenging. That's why we're providing you with recommended resources to help get your family's finances organized in a way that honors God and produces fruitfulness in every aspect of your life. Below are two great ministries aimed at making the most of your money.

CROWN FINANCIAL MINISTRIES – MONEYLIFE PERSONAL FINANCE STUDY

God's financial principles are timeless. The MoneyLife Personal Finance Study helps you create a financial game plan, eliminate debt, save and invest for the future and cultivate a heart of generosity. This study shows you how to overcome different financial challenges by identifying the root cause and offering practical solutions to enhance your financial well-being. MoneyLife Personal Finance Study bundles three key resources to meet your financial goals.

- **MoneyLife Indicator** provides a financial health assessment to determine your areas of strength and weakness.
- **MoneyLife Budget** examines different budget models to assess the most appropriate scenario for your financial picture.
- **MoneyLife Tracker** monitors income and expenses to align your daily spending with your monthly plan.

Combining solid biblical teaching, powerful online tools, and hands-on practical experiences, MoneyLife Personal Finance Study is a 10-week journey that will change your life and finances.
