Reopening Signage for your Church

There's no doubt that there is a lot going on in the world today. Part of all that is deciding when to reopen your church doors amidst a pandemic. It can be overwhelming and challenging. We want to help make it easier for you by creating some signage that can be used throughout your church. These signs remind your congregation to wear face masks, social distance, and hands sanitized to keep everyone safe.
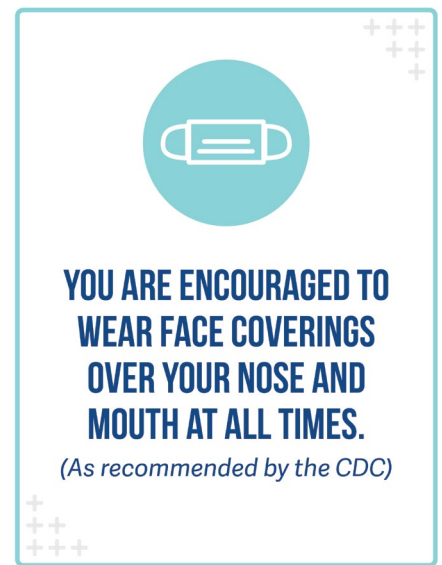

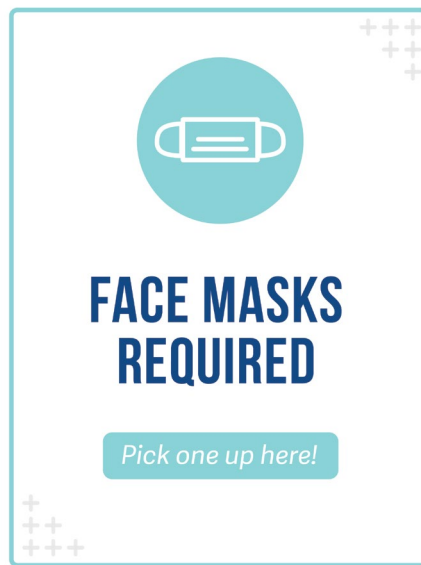

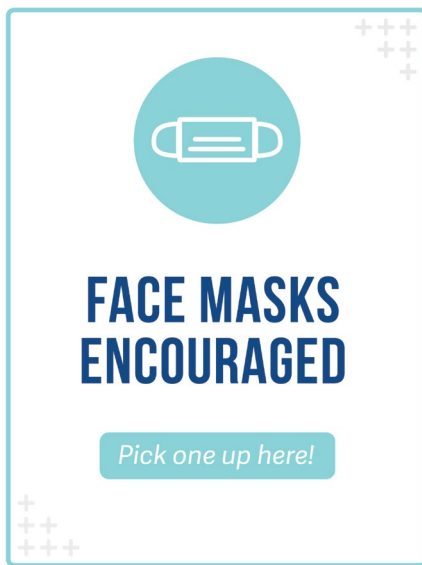

Download any of these signs to print and use at your church!

Choosing the Right Ministry Partner

The know-how you need from experts you trust.

ACS Technologies is the original pioneer of Church Management Software (ChMS). We are firmly dedicated to serving local churches all over North America by providing the best-in-class ministry software and service solutions that help you fulfill Christ's mission for your Church.

Tools and support to strengthen churches.

We build great software, but we don't stop there. We have a "service first" approach that truly sets us apart. With hundreds of dedicated support and consulting personnel, your staff can reach our team 24/7. We're in your corner to help you with the ministry challenges you face every day.

Ideas and solutions powered by integrity.

Integrity is real for us, and it means consistently being faithful stewards by doing the right thing for church success. We have earned the trust of pastors, church staff, congregants, our employees, and colleagues for over 40 years.

A plan to meet your needs and move your ministry.

We're not just interested in satisfied customers. We see ourselves as your real ministry partner and will work with you to make disciples that will last for an eternity. We're excited to talk about your goals, create a plan together, and set you up with the software, service, and resources you need.

We believe in YOU!

ACS Technologies believes in the local church. Over 75% of our team has experience serving in their local churches. We know firsthand that serving the Church means serving people, and we take seriously our commitment to helping ministries like yours achieve their God-given mandate - to make disciples in their communities, states, and across the world.

Let's Talk

We know the challenges of switching or implementing new technology and how that can be intimidating. But we also know the unbelievable changes that have happened within churches that have partnered with us for their ministry needs. Let's connect and see how we can assist you in the greatest thing you do - grow God's Kingdom.
