YEAR-END
Giving
TOOLKIT

The biggest time of the year for giving is here.

Let us help you create the best year-end giving campaign. You'll want to have a strategy for your campaign with a clear message of how you are going to use the funds. Share heartwarming stories that help create a clear message for your campaign. Have members of your church share stories of their giving and how it impacted their lives and the lives of the ones who received the blessing. Spread your campaign message through all of your different platforms of communications (e.g. website, social media, blog posts, emails, etc.). Here are some graphics and slides you can use to support your campaign.

SOCIAL MEDIA GRAPHICS

Social media is the easiest and most cost-effective way to share your campaign. Here are some Christmas graphics you can use to share your message on Facebook, Twitter, and Instagram. Be sure to include your online giving link in the post so contributors can donate right then and there. And don't forget to update your cover photo.
