

TOP EASTER

Making your critical ministry
areas work effectively

Quick Tips

Top Easter Quick Tips

Easter is one of the most important celebrations that brings your congregation and visitors together. This year, Easter may be slightly different. Still, with the right solutions and resources, your church can make Easter an unforgettable experience for all, whether they're joining in person or virtually.

That is why we've created a list of the most critical aspects of planning for each of your ministry areas this Easter. All these necessary components to make Easter an unforgettable experience are achievable in one product, Realm.

Did you know you can use some of your PPP loan towards software!

Now until March 31st

Talk to us today about how the #1 Solution for giving, outreach, analytics, staff management and so much more is helping 1,000s of churches just like yours.

Offer valid for new clients to ACS Technologies only. *Free data conversion (up to \$500) Terms and conditions apply

Worship Planning

- **Volunteer management**
Create volunteer teams based on your congregation's skills and interests, and schedule volunteers according to their availability and preferences.
- **Streaming**
Stream your Easter service so congregants and visitors can worship together, even if they can't join in person.

Children's Ministry

- **Background Checks**
Once you've selected your children's volunteer team, make sure they have a current background check on file. Realm includes a fully-integrated and comprehensive background check package for people working with children and can send reminders when background checks are up for renewal.
- **Check-in**
Check-in allows you to create customizable badges, track who is in attendance, and gives you options like indicating allergies or room assignments.

**We have created a discounted bundled package
just in time for Easter!**

LEARN MORE

Events

- **Event registration**

Allow people to register for free or paid events and use custom questions to capture additional information. For example, if you're hosting an Easter potluck lunch, you can ask people what they are bringing or inquire about any dietary restrictions.

Communications

- **Newsfeed**

You can share the details of your Easter service by posting to the Realm Newsfeed. If you've also created an event, such as an Easter lunch or Egg Roll, you can post the event to the newsfeed and allow your congregants to register.

Giving

- **Online**

Use your church's giving form to link online where you donors can make one-time donations or set up recurring gifts using a credit or debit card or ACH*. Create a custom giving form for Easter if you want to link specific funds for missions or ministries you are promoting Easter Sunday.

- **Cash**

Easily enter and track cash donations from your Easter Sunday services or any received through the mail.

- **Text**

Give your donors the ability to donate via text by using your church's keyword. You can even provide a unique Easter keyword that channels donations to a specific fund.

- **Mobile App**

Your donors can give through the Realm Connect app and track their giving history, as well as set up a recurring gift.

- **Checks**

Quickly scan checks and enter them in batches.

- **Admin Entry**

Due to COVID-19, your elderly congregants may not want to risk coming to your service but would like to give a traditional gift. Realm administrators can add an online gift for a contributor over the phone.

See how one product can quickly achieve all these necessary steps along with a special discount.

[LEARN MORE](#)

Administration

- **Accounting**
Your online gifts automatically post to your ledger in Realm Accounting. All other gifts will be added to a batch that you can then post to your ledger.
- **Dashboards/Reports**
Easily filter your giving dashboards for Easter Sunday and see how many donations you received. Or if you offered multiple funds, how much money was generated for each.

Visitor Follow-up

- **Pathways**
Discipleship your visitors by including them in an automated assimilation process. You can create steps such as sending a thank you card, making a follow-up call, inviting them to future events, and assigning each of these tasks to a volunteer or staff member. Administrators have complete visibility into the assimilation progress and will receive notifications when steps haven't been completed.

Easter is a fundamental time in your ministry.

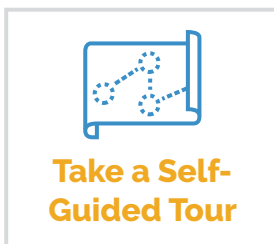

We know it is essential for you to reach out to your congregation and new visitors. We want to make sure you have all the tools necessary to make Easter a success at your church. Please contact us today to learn how Realm can grow your giving, engage people in your ministry, and most importantly, change lives forever.

We are here to help you. Just ask: results@acst.com or 1-800-736-7425.

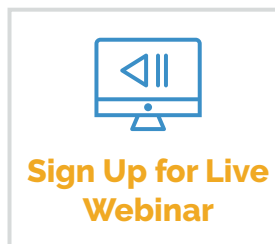

Realm provides solutions that will make your ministry and life easier. It is cutting-edge church management software that combines administration, accounting, and community into one system. It also connects your entire church and personalizes each person's involvement in your ministry.

We'd encourage you to explore all that Realm makes possible by taking a demo, walking through a self-guided tour, or speaking with an associate today!
