

Say Amen to God's goodness.
Increase weekly income through
faithful, sacrificial giving.

Bless and Inspire with Amen Generosity™

Offertory giving is your primary source of income for your church, yet fewer members are giving. It's critical that you have the resources necessary to fulfill your potential for ministry and mission. How do you re-engage your members in the lifegiving principle of faithful giving? Amen Generosity is the solution.

A gift that keeps giving

Amen Generosity, created by Greater Mission, is offered through a partnership with ACS Technologies. Greater Mission brings you a faith-filled team of dedicated fundraising experts who will work one-on-one with your team to create a comprehensive, end-to-end strategic approach that inspires growth in offertory giving and keeps building incrementally over time.

Giving by the numbers

According to Pew Research, **18%** of American families have reduced the amount they give to their local church, and **17%** don't contribute at all. Among Catholics, that increases to **28%** and **22%** respectively.

Plus, there's a big generational gap among church givers with:

Baby boomers accounting for **42%**

GenXers **19%**

And millennials just **7%**
